## A Story of Noah Part 6

**GOD** kept **NOAH** and his  and

his **3**  and their  (wives),

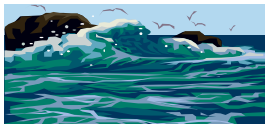

and all the  alive in the **Ark**. After

**40** days and **40** nights the 

 ed just like **GOD** said it would..

But **NOAH** and his  (family)

could not leave the **Ark** yet. The 

tells us that the  was upon the

for **150** days. And **GOD** made

a  (wind) to pass over the 

and the  began to go . The **Ark**

rested on the  (mountains) of **ARAFAT**.

**NOAH** and his  continued to wait

for almost **8** more months while the surface of the

 dried out. **NOAH** opened the  of

the **Ark** and sent out a  (raven). But it did not

return. **NOAH** sent out a  and it found no rest

so it returned to him into the **Ark**. **NOAH** waited **7**

more days and sent the  out again. This time

when it came back it had an olive leaf . So

**NOAH** knew the  was going . **NOAH**

sent the  out **1** more time and this time it did

not return. Now **NOAH** knew the  was

gone but still he did not leave the **Ark**. **NOAH** was

still waiting for **GOD** to tell him what to do.
