The Story of Abraham & Lot

In the  , in the  of **GENESIS**, we can  about **ABRAHAM**. He  ed **GOD** and trusted and obeyed **HIM**. **ABRAHAM** had a nephew named **LOT**. Both of them had many  s,  ,  and  . Between **Abraham's** herds and **Lot's** herds, there was hardly enough  and  to go around. Before too long, **Abraham** and **Lot** realized that there just wasn't enough  for everyone to stay in the same place. **Abraham** was older and had the right to choose **1st**, but he did not want to  argue over land. **Abraham** allowed **Lot** to

choose where he wanted to keep his  sheep.

Lot chose the beautiful valley with the  to

the East, while **Abraham** ended up with rugged hills

and not much

water. So it was de-

ecided that **Abraham** would stay in Canaan while **Lot**

would move near the  of Sodom.

Help Lot go East to Jordon to stop fighting against the herdsmen of his Uncle Abraham.
