The Model Prayer

In Matthew 6:1-34 **JESUS**  (gave) His

a model prayer

. A model is

something that is used as a pattern  . It

is used to make something. Some things U have

seen that are models are tiny

, and  , and  . They are models

because they  like the real ones, but

are very  (small). Before a real

can be  (built), a model is always made to

show what it will  like. **JESUS** gave His

a "model" (prayer). U will often

(hear) it called "The Lord's ."

This is an example of some things we should

include in our s. The example JESUS

his was a s (teaching) them to

(pray) to God , who is in heaven. God 's

name is holy or hallowed and should be honored.

We should honor God when we

JESUS told to , "thy kingdom

come," that was before JESUS was crucified, raised

from the dead, and had established His kingdom, the

church. We cannot "thy kingdom come,"

because He has already done that. We can

for the progress of His kingdom (that it may grow &

be at peace). We should always that

God 's will be done on as it is in heaven.

God knows what is best for us. We should ask

for food each day. We should forgive others if we

expect God to forgive us. We can ask God

to help us avoid temptation. We may want to speak

to God about these things when we

but we can (talk) to Him about many other

things too. God wants us to ask Him to help us.

We should always be thankful in our 's too.
